EDUCATION

**Diploma in
Electronics Engineering**
Govt. Polytechnic Hardoi
2022-25
Percentage : 82%

Intermediate
UP Board
2022
Percentage : 76%

Higher Secondary
UP Board
2020
Percentage : 84%

EXPERTISE

- PCB Designing
 - Proteus
 - Altium
 - Easy EDA
- Embedded System & IoT
- Programming in C & Python
- Microcontroller
 - Arduino(UNO, Mega, Nano)
 - ESP8266/ESP32
 - Raspberry (Pi, Pico)
- Circuit Testing & Troubleshooting
- Robotics & Automation
- AutoCAD, EWD
- Aeromodelling
- Drone Technology
- Project Development & Management
- MS Office
- Web Development(HTML, CSS)
- Problem Solving
- Logical Thinking
- Team Collaboration
- Quick Learning

PROFILE

Enthusiastic STEM mentor skilled in 3D printing, Arduino, electronics, aeromodelling, and drone technology, dedicated to guiding students through hands-on, experiential learning and innovative projects. Passionate about fostering curiosity, technical skills, and real-world problem-solving abilities.

WORK EXPERIENCE

STEM Mentor

Jan 2026-Present

FIZ Robotics Solutions

Currently working as a STEM Mentor, guiding students in 3D printing, robotics, electronics, aeromodelling, and drone technology through hands-on learning. Supporting projects using Arduino and IoT while promoting creativity, problem-solving, and practical skills.

INTERN

May-Dec 2025

Techpile Technologies Pvt. Ltd. , Lucknow

Completed apprenticeship training with a strong foundation in electronics, PCB design, Embedded Systems, IoT, AI/ML basics, and drone technology. Gained hands-on experience in AutoCAD, electrical wiring diagrams, and PLC-SCADA, along with skills in documentation, teamwork and industrial practices.

Summer Internship

June-July 2024

Techpile Technologies Pvt. Ltd. , Lucknow

Gained hands-on experience in electronics, electrical systems, PCB design, and Embedded/IoT development using microcontrollers. Developed skills in basic programming, circuit troubleshooting and teamwork while completing practical hardware-based projects.

ACHIEVEMENTS

- Awarded by **Techpile Technology Pvt. Ltd.** as a **Best Performer** of the batch.
- Awarded in **District Level Science Fair, Hardoi** for our project **Fire Fighting Robot**.
- Awarded in an Essay Writing Competition organized by **BIS**.
- Participated in **Techkriti, IIT Kanpur** as a **STEM Mentor**, guiding students in projects.
- I have an opportunity to visit in **UP International Trade Fair Show Noida**, giving by college.
- I visited **Varun Beverages Limited, Sandila & Paras Food Industries, Sandila** with the membership of **BIS**.

PROJECTS

- Fire Fighting Robot
- Conveyor Based Product Sorting System
- Patient Assistance and Monitoring System
- RFID Cloud Attendance
- AI Gesture Control Car
